Mammoth Ski and Snowboard Education Foundation
Alumni Association 2007 – 2008

Please support our effort in forming the Alumni Association by joining today! A $25.00 donation will be used to support the MSSEF athletes and initiate the Alumni Association.

Thirty years ago this year in an effort to take junior athletes to Cortina, Italy to compete, the MSEF was formed. Our vision for today's Alumni Association includes the value of the mentor by supporting the tradition of the athlete experience. We would like to bring the future and past together in a celebration of today.

We have three goals this year in forming the MSSEF Alumni Association:

1. Initiate a Membership Drive to include all former athletes, coaches and friends.

2. Create a Web Page/Questionnaire

With information gathered from the web page questionnaire it will directly be put onto a data base to will help us compile our mailing lists.

3. Hold an Alumni Fund Raiser Function in the Spring

We hope to put on a fun ski racing event where alumni's are teamed up with current Mammoth Mountain Ski and Snowboard Team (MMSST) members. This will be coupled with an awards banquet/silent auction and reunion of all past MMSST members.
