

- *Gear Blog is back!! Bigger and better than ever- [The Mammoth Ski Team Equipment Blog!!!](#)*

*A HUGE "Thanks" to Jake Winebaum and Stan Riffel who have taken the time to set up and will keep the MMST gear blog running!!!*

*The idea behind this blog is to give ski team families a chance to buy and sell equipment (that might otherwise end up sitting in the garage).*

*You will find the blog at [www.mmstgear.com](http://www.mmstgear.com) -please click on this link and check it out. Please have a look in your garage, cupboard, locker, and get those items up on the blog- good quality items you may have for sale- skis, bindings, boots, poles, race suits. Lets find a new home for all that gear.*

*If you have race equipment in gently used condition or better that your family would like to sell, please email the following information to [mmstgear@gmail.com](mailto:mmstgear@gmail.com) <<mailto:mmstgear@gmail.com>>*

- 1) Brand, model, length or size, condition and selling price of individual items you want to sell*
- 2) Picture (optional- one picture can show many items!)*
- 3) Your email contact information*

*Although we will assist in the posting of the information on the blog, sellers and buyers will be responsible for arranging the transaction between themselves and MMST takes no responsibility for the accuracy of the information posted on the blog. We also ask that you email to let the blog administrators know when gear is sold so we can keep this as up to date as possible.*

*So check it out- [www.mmstgear.com](http://www.mmstgear.com)*
